# THANK YOU

for supporting the

## SILK ROAD GALA

Thank you to everyone who supported ATASK's Silk Road Gala and helped make it a resounding success! With your incredible generosity, we raised over **\$275,000**, with donations still coming in. It was wonderful to come together with so many friends to celebrate more than 30 years of empowering Asian survivors of domestic violence.

We are thankful to Kavita who shared her journey as a survivor. Through her story, we see that lives can indeed be changed when others support and believe in you. Her courage and determination truly provide hope to others.

We are deeply grateful to our Gala Co-Chairs, **Colette Phillips** and **Leverett Wing**, for their time and thoughtful contributions. Special thanks to our speaker, **Grace Talusan**, whose powerful storytelling and heartfelt words touched everyone in the room, and to Anne Plaisance, whose captivating *Wonder Woman Now* art exhibit invited guests to explore themes of empowerment and resilience. We also thank our talented performers, Parker Quartet, Anjali Nath, Alan Kuang and Arthur Le, for filling the evening with inspiration and joy!

A sincere thank you goes out to each of you, our supporters. Thank you for believing in ATASK and for honoring our mission to empower survivors to rebuild their lives. **With your support, together, we can change lives.**

**New Beginnings Project**

At the Gala, we were moved by Grace Talusan’s words on the profound impact storytelling can have on healing. That’s why we’re thrilled to introduce ATASK’s ***New Beginnings Project***, which provides survivors with a platform to share their own stories. To thank you for your support, we’re sharing ***Farrah’s Journey***, the very first story from the *New Beginnings Project*. Your generosity empowers survivors to find their voices and write the next chapter of their stories.
